

Hasnain Shinwari

Cybersecurity Analyst | Linux Administrator | Penetration Tester

Email: iamhasnainshinwari@gmail.com | Phone: +92 3085400589 | GitHub: github.com/hasnain-shinwari

Professional Summary

Computer Science graduate with 3 years of hands-on experience in Linux systems, networking, virtualization, and cybersecurity. Experienced in Linux administration, penetration testing, enterprise networking, and Capture The Flag (CTF) challenges.

Professional Experience

Teaching Assistant | Institute of Management Sciences, Peshawar

- Assisted in teaching Information Security and Operating Systems courses to undergraduate students.
- Conducted practical labs on terminal operations, shell scripting, Linux permission management, and virtualization utilities.
- Guided students in hands-on Linux administration, network diagnostics, and cybersecurity defense exercises.
- Evaluated and prepared lab challenges, homework assignments, and technical quizzes.
- Provided technical support and resolved bugs in operating systems configuration and virtualization software.

Certifications

- Certified in Cybersecurity (CC) - ISC2
- CCNAv7: Enterprise Networking, Security and Automation - Cisco
- CCNAv7: Switching, Routing and Wireless Essentials - Cisco
- CCNAv7: Introduction to Networks - Cisco
- Agile with Atlassian Jira - Atlassian
- Improve Your English Communication Skills - Georgia Institute of Technology

Technical Skills

Programming Languages:	Python, C++, Java, Bash
Databases:	SQL, MySQL
Cybersecurity:	OWASP Top 10, NIST CSF, MITRE ATT&CK, Vulnerability Assessment, Penetration Testing
Networking:	VLANs, TCP/IP, DHCP, RIP v2, Network Troubleshooting, Subnetting
Systems & OS:	Linux (Ubuntu, Debian, Kali), VMware, VirtualBox, SSH, System Administration
Tools:	AWS, Wireshark, Burp Suite, Cisco Packet Tracer, Nmap, Apache, Git, GitHub, Jira, Maven, Metasploit, Hashcat
